About Kelly's K9 Cookies

Our company was established in 2002, selling dog treats directly to retailers in the Burlington, Vermont area. Since that time we have built a new bakery and signed on with several distributors. Currently we sell and distribute throughout the Northeast, and as far west as Colorado.

Our biscuits are made with only human grade ingredients. The ingredient list is printed on the front of our displays along with the guaranteed analysis. Our products are registered with the Department of Agriculture in each state we serve.
